

ROBERT WALLACE

THE GIFT

LAWYER: You have been left a house here in Royal Crescent worth more than four million pounds. Plus, five hundred thousand in cash.
A considerable estate.

Miles is stunned; waits.

LAWYER: But there is one caveat Mr Penrose. One condition.

MILES: Which is?

LAWYER: That you tell no one ...

MILES: But that's like winning the lottery and then finding you can't tell your wife!

LAWYER: That's exactly what it's like.

The question is: *what will you chose to do?*
